

## Lions of the Valley School of Biblical Studies

Have you ever wanted to study the Bible but have never found the time to do so? We make this possible for you! Online, Flexible and Practical on a Digital platform.

## HOW IT ALL STARTED

In the early 1947's Oral Roberts was a televangelist and had an extensive following through broadcasting on radio. By 1957 he began revivals on television reaching 80% of the USA on The Abundant Life program.

Later, God's assignment to him was to "Raise up your students to hear My voice, to go where My light is dim, where My voice is heard small, and My healing power is not known, even to the uttermost bounds of the earth. Their work will exceed yours, and in this I am well pleased."

Oral Roberts University was initiated in 1963 and named after evangelist Oral Roberts, based in Tulsa Oklahoma receiving its first students in 1965. The Prayer Tower was then launched in 1967, symbolizing the central principle of prayer towards the goals of the university.

During the year 2020, Pastor Jurie Jooste received a Word from God to establish Lions of the Valley School of Biblical Studies. There is a strong team and family positioned to bring this vision together.
